MOTION TO RE-OPEN CASE

NOW COME the Debtors, by and through their undersigned attorney, and move the Court for an Order to re-open this case. In support of this motion, the Debtors show unto the Court the following:

1. The Debtors filed this Chapter 13 petition on April 04, 2011. The plan was confirmed on August 18, 2011.

2. The Debtors completed their plan and said case was closed; a Final Decree was entered herein on September 29, 2016, discharging Anita Jo Kinlaw Troxler, Standing Trustee, of her duties.

3. The male Debtor had hip replacement surgery back in October, 2006, several years prior to their filing date.

4. Prior to the closing of their case, the male Debtor was made aware of a class action lawsuit involving the defective manufacturing of a specific hip implant, the kind used during his surgery back in 2006.

5. The male Debtor has now been informed that he is entitled to participate in the settlement of said class action lawsuit and has qualified to receive an award.

6. The Debtors wish to have their case re-opened in order to amend Schedule B of their petition by adding said award as an asset and further amend the male Debtor's exemptions by claiming such award totally exempt as compensation for a personal injury.

7. The re-opening of said case will not cause a detriment to any party in this Chapter 13 case and will, in fact, be a detriment to the Debtors if said case is not re-opened.

WHEREFORE, the Debtors respectfully request that an Order be entered authorizing the re-opening of said case in order to allow the Debtors to amend certain schedules as set out herein.

This the 11th day of June, 2018.
